Terms and Conditions

- Our deliveries can be subject of change caused by less B306 weather conditions or other circumstances
- Shipments to non EU countries are inspected by NAK Tuinbouw before shipping
after inspection by NAK Tuinbouw we are no longer responsible for the conditions of our products
- Complaints regarding quality have to be shared with us within 24 hours after receiving and possible shortages within seven days
(later claims will be rejected)
- After seven days our full responsibility expires when rooting or growth of the cuttings fails
- We won't compensate damage due to uneven rooting or mixed flowering if more than one cutting is stucked per plug/pot
- Our maximum compensation (only for single stucked cuttings per plug/pot) is the invoice amount of the delivered URC
- We retain ownership of delivered products till the invoice amount is fully paid
- We charge 30% of the order value for cancellation of an order (or part thereof) which is planned for delivery within 4 weeks
- We charge 10% of the order value for cancellation of an order (or part thereof) which is planned for delivery in 4 weeks or later

In addition on above apply the Terms and Condition of LTO Nederland (Algemene Internationale verkoop- en leveringsvoorwaarden van LTO Nederland voor boomkwekerij-producten en (vaste) planten, heesters en zomerbloemen).
These terms are available on request.
